1. If you give Me more of Me I will give you more of you. I will give you more of Me. I will give you Me. I will give you all of Me. I will give you all of Me. I will give you all of Me as you keep giving Me Me, as you keep ushering in My presence and My seed is watered, My seed is watered with the word of My mouth, the word of My mouth in you and your mouth. My seed/your seed, My seed in you as your seed, your seed protruding with Me, Me shining forth in radiance, blaring, blazing beauty My glory comes forth. My Me know what I mean and I glory in My Me'd ones. I love you.
2. I give you Me and My Me comes forth, My Me comes forth in My Me'd ones fully, fully, fullness of Me, everlastingly beautiful, permanently etched not in history of one's mind or the church, but in My life, in My large family coming forth permanently, eschatologically all Mine, phenomenologically all Mine, epistemologically all Mine; Me foundation'd of only Me, **My Me coming forth to set free the fullness of Me in the fullness of you.** I love you. My fullness, My power, My authority comes forth. You shudder, you shake, you shriek, many of you will, when you see the power of My glory, the glory of My power coming forth through My common, adulterated not, in My full strength walking, speaking, displaying Me personified; stonework, craftsmanship not; living flesh, My handiwork. I love you.
3. I give you Me and **all that I am you are**. Think it not robbery to be equal with Me. How else could one lift them up, lift themselves up to think themselves beyond Me, greater than Me? Those will I cast down.
4. I have cast down and in no wise will any but be cast out; but **My flame of fire burns for the purity of those who will holy stand with Me, and walk with Me and be Me and raise not themselves up above Me but in submission, honor, glory, respect, and deference be Me;** My word abiding in them, My word flowing in them, through them, rivers being to mature My mighty, My mighty many coming forth; My mighty remnant now being rended no more, but remonstrating Me demonstrably, demonstrably coming, demonstrably being, power and glory personified, totally subservient to My Father, Me, one, all are altogether one. Mighty shine, mighty in spirit, mighty in one are, one blood, one family, one sinew. I love you.
5. Mighty now come, mighty now come, mighty now come to mighty be and mightier be and mighty ones make. Think it not strange how far they come or what they do or sacrifice to be here and be a part of My school; be a part of My what I am doing now with you, through you, in Tulsa at My time, this time, this day, this month, this hour and they all open to Me. They open to Me, they come hungry, they come hungry, they come hungry. They come to be fed, they come to feed the hungry, they come as

hungry, non-arrogant ones who at My side have been; who have fed Me, given Me the gift of sincerity, humility been and flesh and blood before Me and paid **the cost** in time, effort, friendships, energy, angling not for self-promotion. I love you.

6. Please know that I love you. Please know that I love you. Please know that I thank you for every moment you spend with Me, each one of you who know Me, know My name, know My breast and on My breast have laid, prostrate before Me at times on carpet, on slate, on nothing, with nothing. I love you.

7. My mighty come forth. Watch Me. Be not afraid of headlines, be not afraid of wars and rumors of wars and terrorists with great protrusions of war and scars and scar tissue which proceed out of their mouth and the flame of fire that comes out that is not of Me. Be not afraid for My fire protects, My fire consumes, and My fire devastates the devastating, those who have devastation perpetrated on My lambs. Watch Me. Watch My fire come from heaven. Watch My prophets call Me. Watch the rain stand still. Watch the rains come. Watch the rains stop. Watch the sun stand still. I love you.

8. See Me and melt not in the horror and the terror of those who would perpetrate, perpetuate, not Me. Fear not, I am. I am, I am, I am I Am, **you are I Am, you are My body, I am your blood if you receive Me. I am I Am.**

9. My body comes forth, My body grows, My body matures. My body looks more and more like Me. My body sounds more and more like Me and My body's voice sounds more and more like My voice. My body's habits now conform more and more to My habits.

10. My steeds that I like—My body now likes. My body is shaped more and more as Me for I am My body. I am My body coming forth in power, growth, glory, beauty and majesty, fearing no one, no one and no form of institution or organized glory I painted onto themselves can reflect Me. I walk, I run, I fly, I am and I am you and you are Me, now walk Me, run Me, see Me, fly with Me and let nothing stand in your way of being Me. Conquer time, closets many, wee hours for Me please.

11. Come forth more, more My family, My beauty, the work of My hands. Come forth now more and trivia not, trivialize not, trivializing the work of My hands. Please shed, requite not. I love you.

12. Come before Me with thanksgiving and praise; seek correction, discipline and judgment. See Me. Review My words, review My scriptures never stopped, never slowed, never swollen, never barren, My river flows. My river flows and no dam withstands My love, My love poured forth, displayed, personified. Watch Me.

13. You timid ones who have been so timid, you timid ones I now speak to, timidity is not of Me. Serenity is not of Me, self-imposed. Serene be in My peace, My blood, My sins forgiven, your sins forgiven, your standing, your standing in My stead; you operating as Me fearlessly, My power, My authority. Now timid ones come out of your closets, arise off your knees into the forefront of the foray that now consumes so many. I love you.

14. Walk Me and be Me, let Me speak, let Me usher forth the dominion of the common man—I love you—My body replete—I love you. I love you—drink offering'd dominion, drink offering'd dominion, drink offering'd dominion. I love you My drink offering'd ones who now dominions seek and dominion shrink not back from but walk as Me knowing I open the doors, that I do My work and you obey. I do the works. Watch Me.

15. Obey, obey, please obey. See Me. Hear My words, know My words, know My voice more. Declare My gravity, declare My glory, declare My gratification as I Me Me now My Mine, who in My glory, walk fully in all My beauty, power, glory and authority; **drink offering'd, dominion'd disciples who are fully known to Me and known by all who know Me.**

16. I watch you, I live in you, I am you. My body comes forth. My remnant rended no longer, scar tissue proceeding out of no more; healed, eye salving each other, serving each other in honor, glory, reminiscent of only Me, relationship in only Me, My family one; sharing, sharing, sharing alike, sharing and sharing alike. Noticing, sensitives of only Me. Not afraid, not afraid to confront, not afraid to congratulate, not afraid to lift and lift others above themselves. I love you. I love you. I love you as now you serve. You serve My ways, you serve My values, My ways and values come alive, My truths, My blood flowing richer, smoother, purer, river-dammed in your veins from My veins. I love you. I love you. My Mind, My Mind, My Mind being in you fully, fully (1); receive Me (2). **Rend not your own mind with relationships of the past which want to only rend or religion rest in**.

17. Contextualize Me for I am your context, I am your life and I am richer than anything you see or you have ever let Me show you. Now come into Me, all you want is in Me. All you can imagine is in Me. All the earth is Mine and in Me.

18. Ride in Me, soar, glide, glide on each other, with each other, My oil, My oil of affliction not. My oil of affection flowing gently, sweetly, serving your heart My ways, My delectables, **MY SERVANTS SERVING ON SILVER PLATTERS EACH OTHER—** Altogether one; lovely; My blood, My family, one blood, one family, all together one, no tribunal tribulation, no trivializing, no nuance-ing doctrines of not Me; dogmas and deliverances I never intended; love being served, love being tender, love being kind, LOVE BEING EMOTIONAL AND PASSIONATE, DISPLAYED BEFORE ME GRACIOUSLY, GLORIOUSLY, LAVISHLY FOR EACH OTHER. I love you.

19. My body, you have rended yourself so many times thinking to be intellectual, thinking to be rational, thinking to be wise. Know Me, know Me, know My mine after My spirit and not after the flesh (3).

20. My leadership arises; My leadership of many, My leadership of mighty, My leadership of many mighty, mighty many, My body coming forth gloriously mature into Me, arrayed of only Me walking down the aisle to only Me, focused, monocularly, absolutely, totally on only Me; no eye, no taste, no time for the world.

21. That which I have said will come true and is true now and is truth and is true being. Be My truth and let My truth flow through you. Let My mighty many come through you.
22. Raise up Schools and Universities on My earth, you all who are willing, through Me. **Drink offering'd, dominion'd disciples of only Me who dead are, who dead are, who only death through have come to reproduce in Me. I love you.**
23. My leadership dies. My leadership has died. My leadership who now comes forth in raiment of only Me has death known and in death walks in and therefore death has no hold over and fear has no grip (4). I love you.
24. You who have died, you who have sought Me, you who have paid the price, you who have in the wee hours come to Me, you who have let Me wake you and written My words, I love you. You who have let Me come to you and kiss you, I love you and I thank you. You who have let Me come and affirm Myself to you and make My design known to you, oh, I love you, I thank you. You who have come to Me and asked for correction, oh, I thank you. I beautify you now. Your time is now, your time is now, your time is today, this day, this month, arise, I arise you.
25. See Me. See Me in these words walking up to you, taking your hand ever so gently, lovingly, piercingly with the power of My tender love. Taking your hand, lifting you, arising you, embracing you, robing you in robes of My flesh; doing what I see you doing, hearing what I say, say what I am hearing, transmitting Me throughout My body through models modeling, modeling My development, My maturity coming forth, **My delivery systems of only Me.**
26. **Commerce complete and replete** and nothing escapes My attention. I love you.
27. **Communication complete** in Me, fear not restrictions, restricted delivery systems (5). I come and I call, I conquer, I am and I deliver to Me, to you, to Me in you now, all that I am, all that you will let Me be, My drink offering'd ones who I arise; My drink offering'd dead ones, dead to self, dead to sin, who have tasted, who have tasted and know of Me and My beauty.
28. Wait, watch, prepare for Me, prepare, prepare for My arrival, prepare for My kingship, prepare for where I walk you, prepare for where I carry you, **where I project you**, where I land you, where I listen, where I learn and you teach. **You listen to Me and see what I am saying.** You hear Me and be Me. I love you.
29. Think it not strange: My context, My contextualizing, My decontextualizing, My recontextualizing, My reconstruction of what I am fully, fully known, fully seen in My array, My arrangement, My raiment, My beauty, My body. I love you.
30. Now come and call, come to Me, call Me, come to Me, call Me and clarion be, My heralds be, My body be to each other; clarion-ly calling to each other with clarity, tenderness, loving beauty. I love you.
31. Knowing the scars of the world are healed only by love, and protrusions diminished, ameliorated by only Me, by My oil, My healing coming, My healing coming with you, in you, through you. Open to Me and My river be. Open to Me and My river be. Open to Me and My river be. I love you.

32. I love you and I give you Me. I give you Christopher's and Amy's, I give you Barbi's and Sue's and Josey's, Joseph's and Zacchariah's; I give you Me. I give you Elisha's, Elijah's, Ezekiel's and Jeremiah's. I give you John's and apostles of only Me, Paul's of many raiment, apostles of every color coming before Me, kneeling, drink offering'd ones who live only to lift My word which lifts, heals, arises, equips, obeys, reproduces in only Me; through death having come and now delivering truth untainted. I love you.

33. I love you and I give you Me. Replete be, replete be in My word, replete be in all that I am, all that I have for you for I have so much more: books, tapes, **delivery systems of only Me. Universities now which come forth, springing forth from My lips through you, through My mighty ones, coming through death, arisen, walking Me in power, My authority, gloryizing the lifters of My head.**

34. I lift your head, those this day who receive Me; who receive Me in these words, who let Me lift you, who let Me lead you in paths of righteousness for My name sake. And yeah, the valley, the valleys of death (5) you may walk through, you will know that I shine and that I am, that you are, that you are I Am, that I am you are, that we walk nowhere without togetherness. I love you.

35. Shed Me not and shrink not back from My calling and My arising of My rended ones, My hurt ones, My confused ones.

36. Shrink not back from the halls of power and prowess, from political chicanery.

37. Shrink not back from that which appears so tainted.

38. Shrink not back from that which feels so sin-filled, for I walk My mighty many in many places to receive the tears shed for Me over My feet. I love you. I give you Me.

39. Be afraid not of the religious right or the religious left, but centrality of Me; centrality of Me, focus on Me and sink you won't. Walk on water with only Me. I love you.

40. Nothing is beyond grasp, nothing is beyond your grasp. See Me. See Me in what I am saying, see Me in what I have said, **see Me in My package of words crafted, created now in this message for only you.** I love you.

41. **Give Me time, give Me space, give Me My due, give Me My chance to be Me through you. Come, sit before Me, lay before Me, give Me your mantle and let Me show you what I will do with your mantle after it's come through Me, come through Me, come through Me again,** and let Me glorify you. **All that I am I have given you.** Amen.

42. Now worry not about the rejecters, concern yourself with the joy of receivers and receivers elevate; receivers reclaim that which was lost (6). Be Me in the fullness of Me and fear no one, anytime, nor anything. I love you.

Good Day.
