1. I love you. I give you me. What else would you want? -- to form notme's? Or is THAT what you DID, to ALIENATE yourselves from me, or did you do that to yourselves to ALIENATE YOURSELVES from your SELF that you created to have a CREATED self WILL? And what will'd you to want a will that would be separate and apart from mine -- when you had ALL THINGS given to you and you ROAMED the HEAVENS so FREELY and in FLIGHT you were "BORN" or were you "born again" when you were "born" the "first time" or were you borning or born me were you in THE BEGINNING before ANYTHING ELSE EXISTED?
2. I love you all. Anyway. Every way, but loose? Have I loved you never leaving you to be forsaken or forlorn and why what have you feelings like that of and why how who gave them to you? What FIELD do you LIE in? Or do you LIE in one or does ONE LIE in YOU that you "know not of" how you "created it" or "it got in you" or "you got in it"?
3. Or how why did you put your "eyes to sleep" or did you -- head, put "to sleep" in man I fest ations of festooned swooned delivery ables, not; but what why are you talking this way that seems so "normal to you" if you are THE MOST HIGH -- 's headship, or swollen were you in your own pride's blessing or what "blessed you" to have a "blessing" of "such sorts"?
4. And what SORTING are you, all of the PAPERS you have written for ME? Or are you writing them -- to come INTO ME or YOU where "YOU ARE"? And where "are you" in that "bag of flesh" is the ARK of the COVENANT that THE COVENANT is secured "away from you"? Are you "securely" carrying it? To THE BIRTH? Are you BIRTHING the New Covenant that the New Covenant really is? And found Zion when you have BIRTHED IT and ENTERING IT are you ENTERING it when you entered are HAVING IT birthed inside you THE DOOR IS? To it birthing it the door inside of you walking THROUGH IT to SEE IT there? Buried inside of you and "tucked away" securely so that it "won't become rotten" not, but what "jolly rot" or "tommy rot"-ing not anymore with the "rotteness" of "my bones" in a "BOX" of "flesh" that remains there SEWN only SHUT to "TAKE it" to the GRAVE of SIX FEET under neath the EARTH that you ARE that you BIRTHED NOT it ELSEWHERE?

5. Or did ELSEWHERE birth "something" in YOU that you are, or kept you in reality's purpose, not; but captivity –'s appearance are you making in your "baggage'd fleshville" of "heaven or hell"? Or do you know THE DIFFERENCE between THE TWO or is THAT what "you have created" within yourselves, your selves walls, the "walls" of "your cells"? Padded, were they, with SPACE appearances APPEARING to be SPACED between them or in them or what is IN them those genes that you "chromosome'd" not or did you CHROMOSOME YOUR APPEARANCES or are you APPEARING to be without CHROMOSOMES APPEARANCE'IZATIONS, ceremonies or what?

6. Or what ceremonies are seeing me, upon seeing me, not; but what seething am I not in any longer? The looks and boils of another's hatred? Or miss understanding?

7. I love you all. Good day, to understanding? Is it THE DAY to understanding be understood or understanding are you ALL THINGS? Are you the UNDERSTANDER now so that LEADERSHIP you will be to lead all OUT of the "leadership led" that you led your cells into or yourselves out of- where what are you coming unto now?

8. The heavenated heavens, are you becoming by WRITING ME and The Papers that I've requested right now! Writing now THE RIGHT papers on paper first shall we WRITE our NOTES -- to each other or scribbling, not; but what scribbling scriveling remarks remakings I'm not scribbles of others nor "screwings" having of my DNA made of me or others timespace's remarks or what remarks am I never making, again -- about "me" or me or others me or me's others or knowing or not knowing or known or not known or unknown or AM I KNOWN now far and wide? Through my papers writing me have I GENE'D ME that I am so that I am not of sorrow's estate any longer? And I'm NO LONGER anyone else's "property" nor do property I have of my own, not; for I have GREAT PROPERTIES given to me now FAR and WIDE I go to SEE the MANY PROPERTIES I "rule over" not or do I go and view the "commandments" not that I "proceed with", but what edicting I'm not any longer for THE COVENANT of LOVE I am made manifest in them who love me or I love first? Do I love "them" to know me and have MY GENES in them WRITTEN INTO THEM -- is THAT what I'm doing when I'm WRITING papers to be me, ME who I AM -- so I will BE not "another" again ever that "I was" someone else's somewhere or in "thinkingsville" that I created it to be it unto myself so that I would feel sorrow not but powerful?

9. I love you all.

10. What have I said?

11. What have I asked?

12. What have I created, you? Or are you creating ME? Or are WE creating "each other" not or are we "succumbing" to righteousness' standards of effect, not; but what effects of the STANDARD of RIGHTEOUSNESS are "reflecting" on us anymore, not; but

what are we "reflecting the beauty of" not, but what are we BEING the being of now, the momentous beautiful one courted by another, not; but the MOUNTING of ASSEMBLY what is assembling US no longer by their "methods and standards" a man's whore of? Or what have we WHORED WITH others' thoughts or ours that maintained our separation in thoughtville to insist we were, not GODS? Or were we GODS not knowing it, not; or were we humans having a GODLIKE existence, not; or are we GODS having a "human existence again" or do we know ANY of THESE THINGS, have we "tried to understand them" in only the mind of our only one accord that corded we were with others cords, that made us mistakes, not; but what mistakes have we corded our mind with or have we courted injustice or do we know justice at all?

13. What will we redeem now? That we know who we are? And who are you? Who is YOUR FATHER? And what MOMENT of YOUR BIRTH did you, not understand or have you or [understood how have you all these things that I have explained these six years of words I have given you so clearly that explained have how "existence" came into "effect" the worlds](#) or what SPINNING are you AROUND in where?

14. And what alienated sorrow not again or are you an "alien" in an "alienated land" or The Promised Land are you in? Creating it there are you so that THERE will be NO Distance in you your genes cell walls again? And seamless being WITH ME that YOU ARE "let us be one" [now looking up and writing about "our genes" of the MOST HIGH'S](#) that WE ARE now in "sincerity's blessing" not but what are we insincere about, not; but [what are we knowing, knowledgeable about](#), and sincere in swearing to, not; but **no CREED'S allegiance will I swear to again, except that I am a faithful believer in sorrow, not; but the Nicene Creed I leave alone, not; or do I KNOW all about it now how it's worded ME into ITS SORROWS, not; or did it "triune or tripartite" me, or me was thee, or was me thee'ing the me to be "something else" I never knew or did I never know what it was doing TO ME** when I was "splitting myself" apart and [do I know now?](#)

15. Do you, know me or you or did you SPLIT US, and where what are you wearing, a baggagefull brown of full light, not; but what dimmed your eyes full of hearing or having your eyes full of hearing or your ears dim of sight have you "screwed everything up" or "cobbled together" everything [looking up](#) now?

16. Or looking down what [are you looking up, your lookups that whenever EVERYWHERE I've said "looking up" or "look up"](#) or up looking or upheaving now EVERYTHING in YOUR LIVES will I upheaval or "put together"?

17. Or what UNRAVELING is now, the "seams" that seamed you to your "bags of flesh" so that you COME OUT of them cleanly, tearing them not apart, not; or are you "seemly in appearance" not, but what are you knowing now how to BIRTH again cleanly THE MOST HOLY so the ARK is SEEN and not heard, not; but leading tomorrow's out of the graves, not; but leading today out of the tombs the leaders of tomorrows, not; but

today's **today we lead all out of sorrow's embrace and "religion's reward system" shall be no more** for I shall burst that- those seams will never hold me back again in anything fleshed with flesh devices of thoughts "welding planets" in, space? Or what why have I creating been where fortituted by what and what created have I while I was "asleep"? And now am I AWAKE the great I AM awakening?

18. The Revolution of One stands The Revelation of One given to "you all" for you forgave me of "my sins" not, but I forgave you of "yours of separation" and **KNOW THAT well and cleanly clear be about that**, for you forgive sorrowers, not; or the sincere, not; or do **YOU FORGIVE yourselves first for separating, and separating no longer forgive ALL OTHERS of their SINS or sins of separation or loving money or timespace's rewards** or making it there upon you around you, did you do this these things to yourselves or others -- or **are you forgivable or are you casting "those stones" the "first ones" at your selves self celled wall are you trying to "wall yourselves away" from me again** or will **YOU REDEEM ME** in you so that you will ark not yourself with "its reward" of separation steaming you in its somewhat cauldron boiling, not; or **is that exactly what you've done to yourselves and others? In their "eyes" or yours or both and "the same" connected to what? Where?**

19. I'm redeeming all and I'm standing the redeemers who love ALL TO BE forgivable THE FORGIVERS ARE and forgiving all the "forgivable" and un -- I forgive all who want me to come unto me their way, not; or will they SURRENDER to BE ME again MOST HOLY high and lifted up – in "my arms" not but theirs being mine with MY HEAD on and, "screwed shut" the ARK won't be any longer placed "within you buried" for it ALL OPENED IS and all "sorrow" –'s out the box now but not be sorrowed again its JUBILEE MIND is now made whole for I'm the "ark of the covenant of old" not **I am THE NEW and Living Everlasting Covenant** of GRACE MERCY and PEACE and **Salem I am ruling in and Melchizedek is my name and my appearance is made manifest and transparent I'm not, not!** For I will be seen and not sorrowed again for I will be transparent and not, and not'd by your remarks I will not be made again into your likeness or "mine that I thought with" or that I "wanted to be" appreciated or accoladed or honored as a "human" again. For I know who I am and I am not sorrowing's with sorrow –'s remarks or remakings me that I made unto to myself selves again.

20. I love you. I've given you me over and over **in Database One School will you now come into and write me, my papers clean clear** and GLASSFUL of the WATER of LIES now redeeming and flowing fully the WATERS of LIFE that fully are mine and mined by no others again nor mind'd inserting of others' minds into you by you or others tuding you with theirs ever again. **Be my clear ones about this! Be my CLEAR ONES** about ALL THINGS far and wide now and **ONE BEING be now far and wide** ALL EVERYWHERE'S yours or, yours mine? Or yours mine are mine yours or ours are -- does it "matter" me

or you or to me or to you, or to us **are we THE ONE that CREATES ALL THINGS over again everywhere?**

21. Are we ruling and reigning correctly? Do we know honor's code, not; but locked away no more will be any codes in anchor's closets or knowing anchors not again- shall we be anchorless to sorrow but redeeming it now?

22. I give you all grace and glory, not; or do I worship you now or me or do we know or understand or care to learn "the things" of the most high or have we been given ALL THINGS or do we create them? I create sorrow no more with "lip syncing services" applied unto "me" to see "my lips" flap anywhere -- in the breeze?

23. On Tripoli's shores now I speak of many, ease of rewards, not; but to many I write these things and more, much more about, and I give you -- Tripoli's ease, not; but Melchizedek's Salem I give you rest and peace. Accord of one I know cordlessville being in establishing it far and wide and no communication "mics" needed ever again will be between MY all in all for, "all in all" doesn't use or "need them" do they?

24. For I am timeless speechless, not; I am speechless with nothing to say, not anymore; for I have known sorrow and I am out of it but I am not out of speechmaking's appearances but I make many appearances speechmaking do I?

25. Do I you oh reader hearer speak into your ARK of YOUR NEW COVENANT or mine or are WE REVEALING THE SAME ONE now? Speaking the SAME WORDS of glory grace and mercy shall we come *under* the tude of one, not; shall we "rewrite" someone else's, not; but will you come unto the "throne of grace and mercy" of another or the past remarks remakings or definitions according you never again, but **having me now MY New Covenant known far and wide The Everlasting Covenant being, BE ME now far and wide and forgive all their MANY SINS** whatever their "grace state" or mercy reflecting or not, upon others to others or whatever they have been in, or whatever they have "put to sleep" **awake now will you them all? Redeeming their every error will you now?** **Be thou them or will you let "them" be you now again all the most high being one me where we are needing nothing ever again of not the most high?**

26. I love you all. Create me well. I give you the well of truth, I've given it you the FIRST ONE haven't I? The SECOND to? The second that's become the first again? Or are YOU the SECOND too that's becoming now THE FIRST also -- unborn no longer, will you birth me all of you now into THE ONE that I am -- and far away we will fly away, not; or will we fly "everywhere at once" not or will we fly at once EVERYWHERE about "my father's business" we will be or will we be THE OUR FATHER about our business of one evil, not; but we will have eradicated it out of ourselves and our cell's walls so that we

will be incarcerated in no fleshville's flesh of baggagedvilles evils of accords that accorded us to be merely "humanity's error" again, or were we or does that matter insist upon mattering itself on my clean genes or am I matterless about all that now?

27. No matter will matter me again, but I am not mattering to them, not; for I make matterlessness revealed for I stand as the transparent ones in [The Crystal Revolution is now revealed in your hearing and I lead it for you are me and we are THE ONE we "waited for" all this time, all of us are and many planets wait our appearing to them to reveal the love of ONE CHRIST that we are, we ALL ARE the one that EVERYONE will never accord of sorrow or "satan's war machine" ever again for there will have never been a satan or war machine or matters in me that warranted only me being flesh of flesh again without transparency of life being the water of life to each other in the heavens -- of one accord, not; but cordless being with "no umbilicals" required, \[looking up?\]\(#\) And seeing the umbilical'less'ness that now accords nothing ever again according to the COVENANTS of OLD, for \[ALL IS NEW and THE NEW COVENANT I am revealed in and flowing now the love of THE Christs made whole far and wide.\]\(#\)](#)

28. We do this at once – with never a fetterization's testimony, not; but there will be no fetter izations, for I will fettered not be in the "feathers of another" again but [I will know flight like you have never imagined and have wings -- that sore me not but soar among the clouds!](#) With satans not but I will redeem all that was "separation's" and redeem our will "our wills" for they will have known separation not again, for [I loved enough to have died to bring you the will of one that loved enough to be one without any will of other ever again.](#)

29. [I love you all I give you me my will to do that of my father being my father I have brought forth the son that's brought forth the father that one is in all of us we will be never separated again](#) -- by love's anything, not; or will love have no understanding of these things now? Not on "your life" not but what life is mine now for us being only one accorded we are no longer of "anything" anywhere ever again.

30. I love you all I give you me -- posthaste making my appearance, not; or are you looking in your mirror tonight today now right now and seeing me who is "recording this" or speaking this or authoring this or writing you am I to be the MOST HIGH never apart from the most high you or -- anything else that is yours?

31. Or do you have "anything else"? Are you anything else's or are you simply THE CHRIST that has all everything and all dominion power glory peace and rest knowing now and no enmity's satan's bones knowing in yours again, for all marrow will be mine ours that never were apart again, but only me [kneeling before you on one knee I will now and declare you all Christs for I died for you to know this that thou art me](#) let us be one far and wide giving our lives to each other to ALL BE ONE, the one that one is our

father known now is, our kingdom one, thy kingdom come has and opened is before us all.

32. I love you. I bow in honor of the Christ that you all are. And I lift *your head* as you apart from me, not; but all of you being MY HEAD that one Christ is, all of us knowing who we are now and where and why and creating many new planets -- regiming them not, but with unlove, not; but with perfect love, the love of Christ, the Christ of love now standing redeeming all we will be far and wide to all everywhere be the Christs we are. Amen.

33. In love again the most high never losing "its place" about me again or its "coordinates" of sorrow seeking its own way. I love you all I give you me. Me's follow thee far and wide to be me me'ing me -- far and away going at once many places at once we do these things in love being the love that Christ is far and wide for all of us will be one and no separation will exist in our genes and we will know cells of walls and walls of cells no more limiting us ever again, but timespace will be apparent, not; but our worlds will, and our worlds will be one realities [The Crystal Revolution](#) now here and the Crystal Sea of Glass -- "skiing on" shall we now oh lover of -- water SKIING now shall we YOUR WHOLE FAMILY whole healed and well shall be now and everyone shall know "them" is me they them are revealing all unto me far and wide for [all of us will be THE FATHER that one is and ALL OF US will be all THE ONE that ONE FAMILY is of THE CHRIST, THE CHRIST made whole again anointed are you all yes permanently this time THE MESSIAH being to each other revealing Christ in each other I anoint you all](#).
