1. Everything in your life now is news, not; but I bring all news, to a boil, not; but a boil bursting point, not; but what I BURST OPEN now is the PRESSES of me and the OIL of me flows now, vats opened as never imagined and the FREE FLOWING spirit of love joys now the perfect made known in light love; running down hills, not; but what uphill won't be anymore? The "piled high" one won't be one piled high shitting anymore "in his pants" or did he or will it be going on NO LONGER in my HEADS where the head of me was replaced by a, Pol Pot, not; but a "pole cat" won't be "skinned" any more longer "alive" for there will be many "tom" polecats, not; there will be no sextees of the 80s or 90s or gay 100s, not; or will ALL of THAT be removed now from the FACE of the EARTH as it changes DRAMATICALLY and cataclysmically so and "spinning" out of control not again, no longer shall the "spun ones" be "spun" again only in their own web and "looms", but to no avail, not; but the available eth one now available eth much for the, [prayers of me](#) are brought low, not; but *everyone*, [EVERY ONE will be known now knowing MY PRAYERS](#), [my pray-ees and my pray-ors will be praying MY PRAYERS faithfully now](#), sentencing their selves no longer to incarceration's "jail house" rock -- for the rocks will be thrown, not; but the tomatoes will be rotten, not; but the fresh fruit FLIES in the face of me, not; but [my face has changed and the common will know me, wear me, and be me](#) -- and I will not be "afraid" of anything anywhere at any time given or not the "shield of faith" for I will not "need it" not or will I KNOW what it is now? Or will I be using it or using it will I be me? Was I the me that I no longer am, or am I on a plate no longer of sorrow, or am I on no other's plate ever again spinning out of control, spinning wildly or not?

2. I love you and I have answered A LOT of things in these THIS DATABASE, these words that clean few, not; but MANY warriors of the mighty come that clean are "needing" nothing but wanting my words that fetch far and wide, their ignorance, not; but, decreasing it, not; but obliterating it!

3. See what I have WARNED you of and GIVEN you of and GIVEN you a New Life in me now ADORNED and afraid not of anything anywhere for thou shall know LIGHT rod'd'ness, not; but thou will need no "lightning rod" or will thee be the lightning'er or the lighter of, lightning rods, not; but what lightening the load of, not again, but what will thou now be made whole in?

4. A new regime of me stands, not; for there will be no regime of the past that resides in me or about me or want me to want them like as in the past for all of that has changed. Amen.

5. I go to a new place. I do *new things* with the surrendered who care not for themselves not but care in a way that weighs them not down with gravity's remarks or "pullman's" menus or "menus" that pull them down again by gravity's weight machine, not; or yes and amen?

6. I have a whole new regimen of effects, not; but a new menu, goes into effect, immediately not, or do they come and "get me" not or do thee a "great plane ride" make now? Into the skies I ESCALATE now, a Risen Savior, Christ the Lord whose I am who reveals I AM to am I I am no longer asking but KNOWING now that I AM ALL of YOU freed and clear the blessing remains now unabated not or abated not or do you know the difference of abatement theories, not but what abating shall be no longer and what abated shall be now?

7. Looking up all things know that **my IN THESE WORDS are definitions that lie not to thee but must be "observed" not, but *must be known* and WRITTEN ABOUT not few times by the MANY now** who, question me, not; but **come UNTO ME NEW WAYS now** will be made whole in ways never imagined by the, kings of the earth, which deliver ultimatums unto me, not; but I walk right through their castles of joy and un-joy and whatever they pieced cobbled together or not as a kingdom of thought or not, for I give them love, to feast upon the eyes of their appearance, not; but fooling them their eyes won't be as they see *me* lit, up in flames, not; but what up shall I be? Uppity ups of upville, not; but the meekest most humble, man alive, shall I be now lit and ALIVENING many I shall alive them with the love of Christs who I am who I have been given a "wicked toe" of, not; but the feet of the perishing shall be made burnished bronze, not; but all of that Ancient Testimony of me changes now and is MADE NEW in your sight for I have one "who did it" not or did I do I have I one now standing now that "has it down" not, but up has risen?! Befold me not into another "theory" or machine of wants but know that all that has changed. Amen.

8. I love you. I give you me. Amen.

9. Everything changes in your sight. Be made whole the whole one now standing with sight of angels, not; or dearly of angels sight giving the not few whole sight healed and well. Amen.

10. I go in peace. I love them all. I love you, all of you. I go, to sleep, not; but sleepy I am no more shall be for I rise the, wicked ancients, not; but the, ancient'd witches will

no longer "fly in me" for all of that will change and only the wicked shall rise, not; there shall be none in my kingdom again. My eyes are closed no more.

11. I'm standing now in the courts of praise and I reveal them, and I shall enter them in ways that mock me, not; I stand the love of one who's loved you, to be enough, of the lover boy, not; not again not but not the boy but what the lover I am is, now stands in the eyes of the not few open revealed is. I love you all manifest made known the me is it upon the rocks of grace no longer but no rocks shall be thrown and tomatoes will be emptied of "their carts" not, but **many carts will be emptied as the wheels of commerce slows** to a thought's pace, not; but many thoughts that paced were by sorrow's standards will now be instilled with others, not; but mine will and be full of the joys of one, befolding not in the brains of other again. That only waved as notme knew me as notme's, not any longer of that will be now, for all will swim in me, not; but all will know the waters of grace and a fortitude of one that now sorrows not with other again anymore ever. Amen.

12. I love you all. Amen. I go now. Goodnight, good day, good anything, good everything, or is anything good but me. Or am I me or are you or [are we one again ringing the bell](#) of sorrow no longer. The Clarion Call has gone forth. I ring the bell anew. Ding dong, not; but gong gong goes the not few around the world now. Amen. I love you all. Good day.
