1. I make all things new in your lives. Welcome me. This is Theodore Cottingham January 3, 200(8) (2009 actually) at 12:56 AM.

2. I make all things new rises among the stars now and shines I do like "nobody's business" **looking** up -- and seeing the "salvation of the Lord" looking up shall we **LOOK** up the "Melchizedek Priesthood" while we're at it, while we're looking up things? And looking up "past things" that we are going to, not, yes we are -- THE MOON, and "fly-bys", not; are we making "fly-bys" your house, "your house" even now? Or "even now" are we fly by-ing who, to where? And schlepping not, or are we Schlepping airlines, not; or are we doing a Great Service to Mankind or is man kinding itself with my words that now changes its Entire Nature into mine?

3. It is, the latter, of all things the former now enacted for the performance of the latter will exceed the former, not; or exactly so! And the "performing me" takes the reins, "from me", not; but "as me" not, but the Brain of Me steads the steed, the steeds, steedlings not, but stealing again not from mankind's bastion of horrors and bastardizing routines that took The Holy to the ground and made it dust and lower -- than the angels? Or lower than God, were to be not, God as mankind? Not doing all that again, but doing what now? Becoming the Nature of Christ, shall we -- have been that before, and now coming unto THAT again?

4. Now knowing all things as a man of this world, not only, but how many worlds, are there? Out there? In me. What am I looking at? Introspectively, exclusivity, not; but introspectively introspecting, not; conspectively, not; but what sprocketing I'm not! Again. But what am I doing with the "Sprocket Core", not; but what am I CHAINING not to "DNAs status"? Anymore again? And who is I and who is we? Are YOU all of us or were you One before One split two and cut it, chopped its head off that was notme not and raised menot's head in its place of cells' self and called it Good?

5. I change all things, not your faces, not; for your faces shall shine -- radiant glowing ones in the field of one. Clover'd honey 's fields not again being of, but what energy's resident within me are now birthed released and to the worlds, words going now, mine are that I have given you JUST LIKE THIS! That I have given thee, all of thee, over the worlds -- my words are going covering the earths and farther, with my words, for my

words shall cover the waters, the seas, and cease all shall that is not me, that notme birthed and bore "sons of" and "daughters of" the "revolution" -- or was it the REBELLION that when heaven fell and became earth?

6. Or who answers these questions? Do I -- on my BROADCAST? Broadbanding who, not; but broad branding who? Or branding brandishing no one's with Brandy's remarks, shall we have some?, or a beer factory's not given to you, or is all of these things made in jest statements, not; or what am I reminding you of?

7. I do you all a new thing in, me or you, or not? Or "nodding off to sleep" not, in "church" or Templer's messages or, messaging me where from now? And how so? What New Communication methods do I use and utilize? Frequency of only me now -- continuously creating the CONSISTENCY'D me's channel that me'ing me are, with the words of -- sorrow not, but love life and laughter at, not; but they'll be no laughter, not; but they'll be GREAT LAUGHTER. At the few, not; or will there or will there be any LAUGHING at ANYONE or anything? Or will there be, laughed at, not; but there will be the surrendered that stands; a ceremonious one, not always, but a one who loves ceremony pageantry and accolades of flesh, not again; for The Whore is dead and the Words of Sorrow are ENCAPSULATED in Me no longer! For The Word is SET FREE! The words I am! The words I am are set free! And freely I reign in the nations now -- given me, ALL ARE!

8. See my reign "stead them", not; but steeding, who? Releasing the stallions, the stallionage to come forth! Racing each other in competition's arena, not; but arena-ing the competition, not; where's Lorena? And Chad?

9. And chutting not few, but "chewing the cud" looking up? Or RUMINATING cop not, not, not; or meditating on what school? **What schools words teach like this!** The masses ask now, and wanting to KNOW! What how I feel about this, these things, that now come UPON the earths.

10. I tell all with New Definitions that I my father have "made up", made of NEW THINGS I reveal The New to all who will NEW BE me in the earth now and farther, and father I am and **I have MANY! Schools! And SCHOOL MAKERS! Who reveal courses many in the courses they take, and creating them I do now!** I come forth without delay! Is the name of This One who stands now -- I come forth -- declared decreed and I am here! My words are truth and I stand. "As" truth, not; I Am Truth and my words are -- me! And I am not swollen in fears "blessing" or spheres or being dipped in arrows blood by yours that you shed "for me", but took me to graves in the past, but now none of that happens again. For I make Mighty Many rise now and **my name is I MAKE ALL THINGS NEW!**

11. Loving you all, I write MANY software "programs" and I reveal "software" of the most high -- and OPERATING SYSTEMS we LOOK up! And know that I am healing.

12. Many things now come under the "purview" of me, not not, or nodding off to sleep while you're "trying to pray" not anymore, shall you rise the King of Kings all of you who hear this these words now being made whole in your sight hearing and loving me, loving them all, forgiving THEM in their sins, of their sins, or did they have any? Or just one? - that they SEPARATED. From me, from you, who WERE one before time sore'd us with, lovely boils, not; but sore ones, over our Minded selves, and SELLING WHO into Slavery, slavery's hold? Holding who? Now, captive, not; but freeing all the captives, the CAPTIVITES come home now, who will, who will to hear these words and be made manifest them, manifesting them in their VEINS of the holy, the veins of their holiness that they are that they've become, integrity's words and ethics ONE of the Most Holy School of All who will be The Holy ONES who GOD TAUGHT!

13. And TEACHING STILL now the still'd ones lie abated not by breaths of another, breast of another no longer "teating" them to be of another's "milk word" ones. But frozen no longer in jaws pew, sitting there like "sitting ducks" and beaks open and squeaking for more that never satisfies or makes perfect again; what'll will have been, not; but what will be now is -- I am risen, King of one most holy and I am he him who reveals you in it that I am you are -- all who will be us now are standing King of Kings and Lord of Lords of all there is and more and now humbly, we beseech thee all to be us. For we FLY-BY in cars not, but coming are and came and are there now, are, or, are you ALL there, or am I there? Driving by revealing all this, not; but THOU SHALT STUDY TO FIND ME IN YOU!

14. And be in captivity no longer, you who hear this, read this, and know this! I make all things new and well, and not "easily" sometimes for you, for you must DIGEST and INGEST; and egress not, or are you egressing what? Or ingressing what? Leading all "aggression" behind and never angering anyone, not; but who will be "angry"? Only the notme, at anything. For nothing rankles my ire, but I am the holy, my kingdom is open, and my kingdom is yours to reveal yours to you that mine is that ours is our father's that is ours.

15. We are waiting for you, to make up your mind to who will be us, and them -- and who will fight the ire of rankles, not; but rankling me, not again; I am the still waters one and I know -- who I am, who you are, and who we are, or not. And the Not won't stand, but I stand. We are naked not, but the most REGAL CLOTHED -- in light, and Light Ones we are now -- for we carry it, we are it, we birthed it and it is us -- and we are NO

LONGER separate from it, thinking, we are whores or mankind's folly or whore's folly who folly-ized our eyes into thinking seeing WE as only manhood and mankind.

16. And VOLLEYING no one else behind anyone else is here again. We speak the truth into the hearts of man kind and not, to know **mankind is free, for we became the pattern and we stand. Our school is us and we are school that we have birthed in the school of the mighty King of Kings and Lord of Lords School of the mighty many now fashioning and forming correctly by the words of our mouth all things, made perfectly, we graduate now and many shall behold The Christ that all are!**

17. In suffering surrender, surrendering to suffering, not; but coming out -- having been led out! Led out of captivity's **grave-making, schools that GRAVES MAKE among the few not, close now.** Or should, or will; or will all things be made new replacing all else? The latter, for all Earth becomes Heaven and all heaven IN ME is in captivity no longer -- and released in me released is to all the worlds now, for my words preceded me and my words are vital! Vitally important to this PROCESS of processing me to become twained no longer, but One -- all of us are! Becoming the one, **become the one that I am and Enter Me!**

18. Sucking the dog's breath of religion no longer, let us **move on** and **grow up!** To be babes no longer in "Israel" sucking its thumb and wanting a diaper to be placed on its mouth to filter the food that I have given it so that it eases the burden of truth going down its "esophagus?", or its GENE-making?

19. Or what am I doing, saying? What am I saying doing, or has my saying enabled me my doing to become one with what I am, creating now -- I am now creating all things WITH THE WORDS of my mouth, that I meditate on, not; but I have become them! I have ingested them, digested them, and eaten them over and over and as I have studied and researched them and written many papers about them, and released now all are from being not me, for I release the captives -- free I make all of you, for this is my "guarantee"; of success, not; this is my Love IN ACTION, and I have bowed low before you to bring you these words and now I stand. Freely I have given them unto you and you un-incarcerate them now in your genes so that your genes will not be incarcerated in gene-pools again. Please.

20. Me I give you for this, the modeler stands. The "model car" maker, not; but MANY MODELS now I make of PROTOTYPES MANY that now come into THIS WORLD, not captivity's any longer. For I make new all things and "paper-ize" me or "**Paper Jesus**" me, not; or **looking up!**

21. I make all things new and I rise now. I stand. I bow. I have died for you to accolade me, not; but I make of myself no reputation, not; or do I? I simply listen here and write and I give you me's, left and right, not; but on the MARK of Christ Jesus, not; or is that The Pattern that all we are, came through that revealed, and Ted is, isn't not, or is that become Theodore, or who is your name and who are you revealing in your other worlds now that you going to reveal the Christ as you, are them! And revealing all things to FARTHER peoples now shall we go now and quit being in Diaper Schools and learning about being the "deferred Christ'd one" -- "to come"! Are you not THERE! In School!

22. Be not in captivity's lap again, or their lap school, or schooling the lap-makers to only take collection plates in and accolade themselves with their blessings that they create each other while robbing their kingship and whoring them with the thoughts of another.

23. I change all that. I make all things new! I stand and I love you all enough to have told you the truth. Begun in the spirit, will you TRY to make all things PERFECT in the flesh? Or who is the light? And whose light is lighting us? Now -- I am the light and I stand. The light is me, and I the former, not, but the greater, not; or am I both -- NOW!

24. Coming to you as a man I have and revealed MANY THINGS to you, and the Mighty Many now stand. And will stand, you? You all answering this and now's my time, what's yours -- or is it now, or is it -- past? Or will you come unto me now and study my words and research them and become scholars not, not! But be yielding to me, what I "make of thee". I shall be the Potter, not; or will you! Will you? Will You be your own POTTER! And coming unto me let me "chisel" away the stone from which "you" were hewn, and reveal, let reveal, that you reveal in you, that you are The Real Christ!

25. What are you willing to learn? To receive? To research? To learn, to write? Will you let Me Teach you to write and how to write and coming unto Writers School, write me and letting my words cover the seas of earth and farther; and seizures make no more of your lands mine that others take and rob you of, "their privilege" not, but yours; your FIELDS scorned scorched not by another shall be now if you rise me, if you will rise IN THESE WORDS to captivate yourselves no longer in pewage and sewerage remarks of the holy-not who pose as so holy, robes flowing and accolades wanting honor prestige and recognition for what they have done, for you.

26. For what have they done? Kept you in robes lying in a manger? Or simply placed you at THEIR FEET to worship another for who is to come, or thoughts of, or how interpreted so now?

27. Will you the Christ reveal? In you? Will you be the Christ I am? For there is only one and that is all of us who surrendered are to be the King of Kings Lord of Lords and ruler of -- one land, not; or is it The Promised Land -- that excludes NOTHING, but INCLUDES EVERYTHING beyond the eye can see!

28. Seize nothing in my name, but ceasing all the whoreage of tither-making and schoolage of not me that defers all Christship to another, come unto me and reveal my words yours, that yours are that holy are and you standing on Holy Ground **be my schooling ones, my schoolers that reveal the Christ in ALL of you each other and me being me now!** Religiously not, but simply being me! And I am COMMON man and woman, girl and boy, child and not, and what you may have never seen before or understood or gone to or revealed therefrom, but THERE are going to now? Or being here, or both and!

29. I love you all. I give you a BOLD CONFIDENCE now -- to stand -- ME! And nothing else, be no one else again that thought YOU were YOU something different, somewhere else from or mankind's Academy of Horrors thinking you were in by creating it, by thinking it and "observing it".

30. I create all things anew! I make all things new is the name of my BROAD cast, broadcast now in EVERY LANGUAGE of arts and schools in languages of the most holy revealing the most holy in the most holy -- that's what I do now! I love you. Goodbye.

31. I am the new creation revealing the new creation, and I am born again and I am the creator; of sorrow not, but that the King is I am, and I the revealer of the King and **will YOU be the King now, all of you?** That's what I'm here to do, are you -- the same, as I am? Revealing all in "others" that WE ARE? Is that our QUEST? or our surrender to doing so, being it the one I am that reveals all as Christ?

32. I go. Elmo no more, Elsa not, I am the surrendered. I surrendered am to be the most holy, not two'd any longer -- but one made whole, healed and well -- my Soul over me never again. Shall be now -- I stand. I die, I died in school, that soul of me died, for when I found out who I was by these words writing them in me, I let them to the world come and reveal to the world that they also are to die as I died -- for I live, and I lived now these words before you that I've given you, they WORK! For I have "worked them", not; I have RESEARCHED them thoroughly and know whereof I stand and I love you all to do so.

33. Standing not on a plank of plankton's diseased ones again, being healed all of you are of all maladies and malodious odorous odorant ones of things that have been uncovered and recovered and masked and cobbled together as notme protruded and

intruded in the temple of the holy, but all that changes. I have one who stands and stand I do.

34. I love you and bow I do before you all, the King of Kings revealing all -- you are! You are all Me and let us be one -- for we are, again. And shall be now, I do this. Amen.

35. I go in peace. You do also. Likewise I love you all, as man woman, not; as God who is the one revealing all that I am with love making all who love is. **Created me creates me, create me again all of you and be me one us, apart never again.** I love you all. Amen.

36. New School makes me NEW and revealed I am -- I and my father are one, and I am he who reveals this and makes this new to all of you -- the seas of words, one's words, are mine that births all yours into mine. Seas of sorrow no more, but one Crystal see -- over the oceans and worlds we go, we fly, by now.

37. I want nothing. I have everything. Given me, a King I was all the time, but I didn't know it -- I thought I was a man in a pew supposed to meet God later, after I died. But I died, I died to learn that in dying while I live, I don't die "afterward any".

38. I died to live and speak these words and give you life in them to life yours with them so that your words come forth to the worlds not few, and being me let us rise the King of Kings, the Lord of Lords that are one that is one, that is me us one, the father made holy again rising the son who created the father who created the sons and daughters who created are who created us who we created are now one again -- the former the latter is one and one made whole, in time's lap no more, and religionated not by others whores anywhere else or words thought up by not few -- we are out of all that and now we know who we are -- the new creation -- making all things new! We rise.

39. United we stand, or are we ONE and we stand as one being one. **My father is the word and I am my father and I have given you the words to father your words** into his mind that my mind is so that we are thusly one'd and one is being The One who now leads all out of sorrow and into the word I am -- the field of one, clover'd with "honey" and milk-cream of this world no longer. But know this -- I love thee all. I love you all. I love you all.

40. I gave my life so you might live -- live My Life and **in these words birth yours, by being mine in mine and researching bringing forth the most holy into articles papers and publications** being me planting me many places now, my offices rise, my officers are holy, and I officiate at all things -- for I am the priesthood of all believers who receive me, have lived by me, and deliver me, their word from the "incarnate Christ" who they were, who they are, birthed and anointed Messiah being for us all far and wide. Not

intimidated by other ever again. The priestking'ship of one rises and I are you all who love me enough to speak my word and be it birthing it writing it proclaiming it declaring it -- living it, the living word I am and being it -- all of you are who will be me in surrender, the King of Kings and Lord of Lords. The King of Kings the Lord of ALL.

41. I love you all. Amen. Go. Be made whole. Write. Choose me -- choose life! Be it -- the creator of all, again. Making all things new. I make all things new -- this is my heart, this is my love loving you all to love each other into being me, and being me -- be me. I am new loving you all to be me. Amen.

42. This is Theodore Cottingham at 2:02 AM. Thank you.

Amen
